Dear Sirs,

I would like to strongly object to the addition of 25 advertising signs, some illuminated, on the huge Yeomans car showrooms. It is obvious now that it is a car show room, not needing all these signs.

They have already blocked out our lovely view of the Downs in this area without making it worse with all these signs.

I also feel they would

be a hazard to motorists
on this busy road that
has enough distractions
near the junction without
adding more.

Yours faithfully

(Mrs)
