2nd September 2019

Dear Sir/Madam

Town & Country Planning (Control of Advertisement) (England) Regulations 2007 (as amended)

Advertisement Consent for 2no. Internally illuminated Fascia Signs, 7no. Ali Panels, 8no. Wall Mounted Signs, 3no. Banner Frames, 4no. Pole Mounted Signs and 1no. Internally Luminated Totem Sign.

Yeomans Honda Worthing Littlehampton Road Ferring Worthing

Thank you for your internet representation made on 1st September 2019 which has been recorded as '**an objection**' with the comments as follows:

I object to the number of illuminated signs requested for this site. The site itself has piggy backed on the current Peugeot garage doubling the commercial use of this site off such a busy fast road. A huge sign has been erected there which looks out of character already, any further signs would add to this, create a more visual impact and nuisance to the opposite neighbours(who were not made aware of this planning request which it has already blighted their views of the Downs), it would go against the Dark skies policy, similar signage for Asda petrol on the other side were refused so this should be too. No time restrictions have been listed either so we are to assume they would like them lit 24hours a day!

What should've been addressed is the issue of where cars are offloaded off any transported for both the Honda and Peugeot garages as doing this on the one lane of such a busy road is hazardous.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is

available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
