Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/82/21/PL
Site Address: 11 Ferring Marine Ferring BN12 5PP
Description of works: Variation of condition imposed under FG/127/19/HH relating to approved plans.

Thank you for your internet representation made on 18th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36372

The initial application was for a green roofed extension. This latest application to use the roof as a balcony would result in an extreme lack of privacy to neighbouring properties in Ferring Marine. The proposal for a green screening is farcical, nothing of this nature would survive the winds and weather that we experience on the seafront. When I made an application on my property for a first floor extension with balcony, the conditions imposed were rightly very strict, even though my balcony did not extend as far forward anywhere near to that at number 11 - what has changed? The ground floor extension to number 11 is already far too dominant to other adjacent properties, to allow the roof to be used as a balcony would set an unacceptable precedent and prove a gross intrusion of privacy to neighbours. I would request the application be refused.

Your views as made above will be considered before the application is determined.
