Subject: Prior Notification of Works to Tree(s) In A Conservation Area - FG/84/26/TC

Reference: **FG/84/26/TC**

Proposal: Fell 1no. mature Portuguese laurel (T1). This application may affect the character and appearance of the Ferring Conservation Area.

Location: Yew Tree Cottage, 11 Ferring Street, Ferring, BN12 5HL

I have considered this application by means of a desktop review, using the information submitted as well as online resources. Previous consideration from site and familiarity with surrounding area provides further insight to the proposal.

I am satisfied this work will not result in harm to the character or appearance of the conservation area. The laurel is not of sufficient merit to be a suitable candidate for preservation.

Conclusion

I raise **No Objection** and see no reason to make a Tree Preservation Order.
