Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Demolition of three buildings & erection of replacement workshop & machinery store
(amended to FG/161/14/PL).

Onslow Caravan Park Onslow Drive Ferring

Thank you for your internet representation made on 8th June 2015 which has been recorded as '**an objection**' with the comments as follows:

I've heard this morning about the proposed new building for workshop and store at Onslow Caravan Park. I do realise they need a new workshop but surely not on the ONLY green on the park. This is where children play. There is a field where it wouldn't interfere with anybody and the children are unable to play on as it's so rutted with huge divots! It's going to block light from a few of the caravans and it will be a real eyesore as you enter this lovely park. The owner of the park has already been refused permission to have caravans on this particular green due to the current lack of play area. Thank you for your consideration.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go to the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
