Thank you for your application received on 25th April 2018. I am writing to acknowledge that it was accepted as a valid application on 15th May 2018. On receipt of this letter, if you have any concerns about the way that the Council has described your application, you should contact the case officer: Andrew Wood, who is dealing with your application.

The Council has decided to publicise this application by means of a site notice on or near the application site and on our website. **The site notice needs to be displayed until the date indicated on it for comments and for not less than 21 days.** If there are any problems with regards to the site notice (e.g. vandalism), please contact the case officer.

Your application cannot be determined until the end of the statutory publicity and consultation periods which is 21st June 2018.

You can follow how your application is progressing on the Council's website:

www.arun.gov.uk/planning.

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 10th July 2018. However, this is not always possible for a number of reasons, including on-going negotiations or the scheduling of the Development Control Committee.

If you have not received a decision by 10th July 2018 or a later expiry date that you have agreed to in writing, you can appeal to the Secretary of State. Your appeal (under S78 of the Town & Country Planning Act as modified by the Advertisement Regulations) would be that the Council has failed to make a decision and you would be asking the Planning Inspectorate to make the decision instead. You can do this on a form which you can get from the Planning Inspectorate website www.gov.uk/topic/planning-development/planning-permission-appeals or by writing to them at Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Your appeal should be made within 8 weeks of 10th July 2018 the date in which the Council should have made the decision.

This acknowledgement only relates to your advertisement application and not to any other consents or approvals which you may be seeking from the Council.

Finally, can I remind you that it a criminal offence to display an advertisement or use a site for advertising without first having the Council's consent.

For details on how the Council will deal with your data, please refer to our privacy statement called Privacy statement planning application on the web site www.arun.gov.uk/planning-privacy-statements

Please do not hesitate to contact the case officer if you have any queries.

Yours sincerely
