Hello Iqraa,

Please can you amend the block plan, if you need any more information then please let me know.

Thank you,
James

Good morning,

Unfortunately your application is still invalid as you require dimensions on your block plan from the proposed extension to all site boundaries. Please amend or with your permission, we are able to amend this for you.

Kind Regards

Iqraa Malik

Dear Iqraa,

Please find attached the completed CIL form and full application form. The planning portal would not allow us to update the form online so please find hard copy attached.

The property would be classified as a flat.

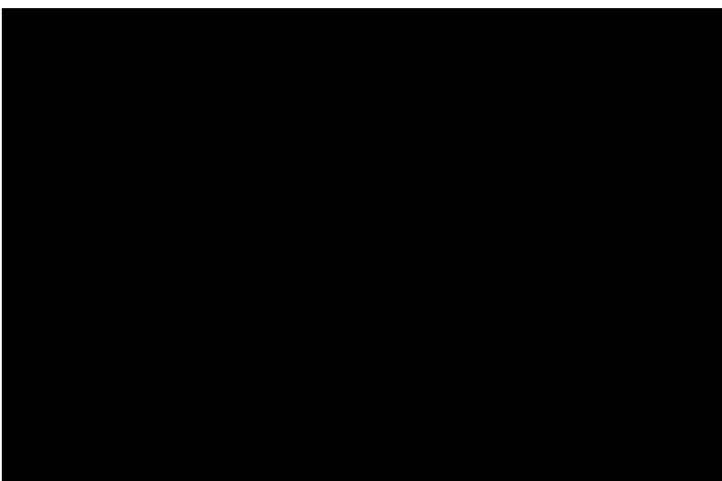

No CIL is applicable as the area is under 100sqm.

The proposed shed has an area of 3m x 5.5m. This has been amended on the attached planning statement.

The floor plan is scaled to A4. Each grid square should measure 0.5cm representing 0.5m at 1:100. The website says we cannot currently send hard copies so hopefully the scale is not distorted when uploading.

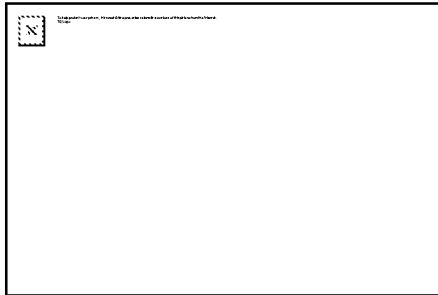

The block plan was purchased online and has a scale of 1:500. The proposal is for a shed so the floor plan is just labelled 'shed'.

We trust this is now enough to validate the application.
