Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/85/20/HH
Site Address: 18A Ocean Drive Ferring BN12 5GJ
Description of works: Garden outbuilding.

Thank you for your internet representation made on 23rd September 2020 which has been recorded as an objection with the comments as follows:

OWPC29792

Firstly, I would like to concur with Ferring Parish Council that, should this application be approved, strict conditions are imposed on the use of this structure.

I would also question the validity of this application.

As a "garden shed", a building that takes up over 25 percent of the garden area seems rather unnecessary.

As a "summer house", a building that faces North East and with a view of the back of the house just 5 meters away, seems pointless, especially given the parkland view directly behind the property.

At 2.5m tall, and 5.5m long, I think this would look unsightly to the neighbours and detrimental to the parkland setting.

If this structure is truly to be a garden shed then a reduction in height to 1.8m (and kept below the fence line) should be imposed and acceptable to the applicant.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
