Subject: FG/86/21/DOC

Dear Planning,

Thank you for consulting Environmental Health on the above application reference.

Our comments are concerning condition 9 (Scheme for EV charging). I have considered the information provided in drawing no. 1 as attached in the applicant submission. However, the information is insufficient to meet the requirements of the condition. We expect details and specification of the proposed EV charging unit to be submitted for approval in order to comply with condition 9 fully.

Taking the above into consideration, we are unable to support a full discharge. However, if the applicant can submit additional information as requested before the consultation closes, we may reconsider our position and provide a revised response as necessary.

Kind Regards

Chima Umunnakwe

Due to the current pandemic, work is being prioritised according to public safety risks and you may not receive an immediate response to your email. Wherever possible we will endeavour to respond within 7 working days.

The Environmental Health Team in particular are focused on supporting COVID-19 compliance, and other services may be limited or delayed. Further details of our current service levels can be found at: <https://www.arun.gov.uk/service-status>

If you are making contact for advice or to register a new request for service, including enquiries about COVID-19, food safety, noise or pollution, you can register these directly on-line at <https://eh.arun.gov.uk/>
