Phil / Tony

See attached plan sets for the two applications, the slight complication for the additional flat application is that there are consequential changes to flats 1 and 2 which it is very hard to not show as it puts it all out of context. As such we have shown the layouts for these in this application.

I hope this is all OK but let me know if not

Thanks

Ben

Ben / Mike,

Please see below - how easily and quickly can this be put together?

On the basis that it looks like we have saved having to pay additional application fees and that time is of the essence, I am sure Tony will be happy to pay for additional drawing time if you speak to him.

Thank you in advance for your assistance.

Kind regards

Phil,

I was expecting the original plans with the new additional flat included and elevations of it. Then all other alterations would be submitted in an NMA application.
Can you please provide the information as requested ?

Thank you,

Andrew Wood MRTPI
