Hi Duan,

Further to your attached letter I would comment as follows:

- Foul water will be disposed to the mains drainage as existing
- There is no unit 11 (the scheme only relates to 10 units total)

I await confirmation that the application can now be validated.

Location: Tudor Close Ferringham Lane Ferring BN12 5NQ

Development: 1 No. new unit in roof space plus reconfiguration of approved dwellings & other changes including retention of flat roof extensions and new dormers to courtyard elevation (revised application further to permission granted under FG/105/20/PL).

Thank you in advance for your assistance.

Kind regards
