Dear Mrs Gardner,

Further to the internet comments from Ferring Parish Council on 22 May 2018, and your subsequent reply letter dated 23 May 2018, we hereby submit the following additional information in support of the application.

We attach an A3 .pdf document with two pages containing 40 photographs taken yesterday showing numerous examples around local roads in Ferring illustrating that projecting garages exist and form part of the character and street scene. The corresponding addresses are written below each photograph.

Please can you accept this additional photographic evidence as part of the application submission.

Should you have any queries, then please do not hesitate to contact this office, otherwise we look forward to receiving your decision on this application shortly.

Kind regards,

Malcolm Jenkins RIBA
