Dear Mr Ellis,

I understand you have been in contact with regards to what you are required to do regarding CIL before you commence works.

You have already provided the Assumption of Liability and Form 7 Self Build Form and the only thing left to do is submit a completed Form 6 Commencement Notice. This must be received by us at least 1 working day before you commence works. We also suggest checking that all pre-commencement conditions are discharged, if there are any.

I hope this helps,

Community Infrastructure Levy (CIL) - Form 6: Commencement Notice

This notice must be received by the Collecting Authority prior to commencing your development.

Failure to do so may result in you losing the ability to pay the levy in instalments and you may also incur a surcharge.

Please note: This version of the form should only be used for submissions relating to planning applications in England.
There is a legacy version of the form for use in Wales: [Download the legacy version of this form](#)

Please note the following if you have obtained, or intend to obtain, an exemption or relief from the levy

If your CIL liability notice, or revised CIL liability notice, was issued prior to 1 September 2019:

If you have received an exemption or relief from the levy, failure to submit this form, and for it to be received by the collecting authority, prior to commencing your development will nullify that exemption or relief and make you liable for the levy.

If your CIL liability notice, or revised CIL liability notice, was issued on or after 1 September 2019:

If you have received an exemption or relief from the levy, failure to submit this form, and for it to be received by the collecting authority, prior to commencing your development will result in a surcharge being applied by the collecting authority equal to 20% of the notional chargeable amount or £2,500, whichever is the lower amount (or, if you received exceptional circumstances relief from the levy, may result in the surcharge being applied).

Please complete the form using block capitals and black ink and send to the Collecting Authority.

See [Planning Practice Guidance for CIL](#) for guidance on CIL generally, including "what is a Commencement Notice and when it is issued".

Declaration

By signing this declaration:

- I acknowledge that if the intended date of commencement changes, failure to notify the CIL collecting authority before development commences of this date with a new commencement notice will result in the CIL amount being due for payment in full on the date of commencement.
 - I also acknowledge that failure to notify the CIL collecting authority of the intended date of commencement by submitting a commencement notice in advance of this date will result in the CIL collecting authority imposing a surcharge of 20% of the amount of CIL due for payment, up to a maximum of £2,500 (the surcharge is discretionary in respect of exceptional circumstances relief).
 - I also confirm my understanding that:
 - If my Liability or Revised Liability Notice for CIL was issued before 1 September 2019; and
 - If I have either been granted an exemption or relief from the levy, or will be seeking an exemption or relief from the levy (which I understand must be granted prior to commencement of the development)
- That failure to notify the CIL collecting authority of the intended date of commencement by submitting a commencement notice in advance of this date will nullify any exemption or relief I have previously obtained, and make me liable for the levy (except in respect of exceptional circumstances relief), and that a surcharge may also be applied.
- I confirm that a copy of this notice has been served on all persons known to me as an owner of the land on which the chargeable development will be built.
- For the purpose of CIL, an owner is an owner of a freehold interest in the relevant land or a leasehold interest in the relevant land of 7 years or more from the date planning permission first permits the chargeable development.*
