Dear Zac,

Thank you for the positive feedback;
At the same time, please do not hesitate contacting me should anything unexpected crop up from here; I will update the owners accordingly.

I am looking forward to your/ the council's formal decision in due course,

Kind regards
Norbert

Dear Norbert,

I have recommended that the application be approved, however, please note that this is only a recommendation, and is subject to change.

Please do not hesitate to contact me with any further queries you may have.

Kind regards,

Zac

Dear Zac,

What is the determination/ your recommendation?

The main reason for trying to contact you was to establish whether the proposal should/ would benefit from any tweaks for positive determination.

Is everything alright with the proposal to permit approval?

Please let me know prior formal determination,

Kind regards
Norbert

Dear Mr Kurcz,

I apologise that we have not spoken as of yet, thank you for your email.

I passed through the determination report to my Team Leader mid last week, I would hope that a decision would be with you shortly.

Kind regards,

Zac

Dear Zac,

I have been trying to get in touch with you over recent days to enquire about the status of the proposed larger home extension at 11 Ferring Marine in Ferring - the applicants are by now frequently asking me as to what's happening at this point, anxious to get going with the planned refurbishment works (and extension) on the house as soon as they hear from you - can you please get in touch with me by close of today for an update on the status of the application and scheduled determination date?

Many thanks
Kind regards

Dear Zac,

As discussed, I would like to clarify a minor comment received from our neighbours at No9, namely: the photograph showing No9 Ferring Marine is actually taken from Patterson's Walk (rather than from the garden of No11 Ferring Marine as indicated on the site location plan / drawing P0).

Please do not hesitate contacting me with any queries to this submission,

Kind regards,
Norbert
