The two floor plans nearest to the top of the sheet are existing and are labelled as such, as are the 4 elevations nearest to the top of the sheet.

The proposed floor plans and elevations are below them with hatching shown to the elevations.

It is fine to include them on the same sheet however the attachment was only proposed plans.

Kind regards

Dear Sir

Thank you for your email however only the proposed plans have been submitted. We need separate existing plans.

Kind regards
