Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/90/21/HH
Site Address: 1 Sea Drive Ferring BN12 5HD
Description of works: Erection of addition of second floor, part single, part two storey extension and wrap around terrace

Thank you for your internet representation made on 28th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36898

Ferring Conservation Group objects to this planning application because it is overdevelopment of the site, overbearing on, and overlooking of, the neighbouring property, has an unacceptable impact on the street scene and the view of south Ferring from the Goring Gap, and is out of character with the vast majority of residential buildings in Ferring.

Overdevelopment because it is adding another storey to an already large house, in order to create a fifth bedroom.

Overbearing because it dwarfs No. 2 Sea Drive and overlooking because its terraces its terraces and balconies give direct views in the back garden of that house.

Unacceptable impact on street and locality because the third storey, with a flat roof, perched on top of the existing building, is incongruous in a key location.

Out of character because, as far as we know, there is only one other (much smaller) three-storey house in Ferring. A development like this is really not suitable for a township of bungalows and conventional two-storey houses.

We trust the Committee will refuse this application, regardless of what officers might have said in pre-application advice. - Ed Miller (Secretary, Ferring Conservation Group)
