Dear Sir/Madam,

Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/90/21/HH
Site Address: 1 Sea Drive Ferring BN12 5HD
Description of works: Erection of addition of second floor, part single, part two storey extension and wrap around terrace

Thank you for your internet representation made on 23rd June 2021 which has been recorded as an objection with the comments as follows:

OWPC37668

Dear Sir

I wish to add my support to the detailed objections already raised regarding the above application .
The site is in a very prominent position, the addition of a third storey and substantial alterations compromise the existing character of the area and add to the overlooking of neighbouring properties. The proposed alteration will conflict in scale with the pattern of the place and will be detrimental to the street scene. The addition of terraces add to the overlooking and loss of privacy . The substantial alterations make the proposal both overbearing and large full height glazed areas add to the overlooking of neighbouring properties. The application is therefore contrary to Policy D Dm4 of the local plan.
I therefore request that this application go before the planning committee and reserve my right to speak at the .

Cllr Roger Elkins
