Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/90/21/HH
Site Address: 1 Sea Drive Ferring BN12 5HD
Description of works: Erection of addition of second floor, part single, part two storey extension and wrap around terrace

Thank you for your internet representation made on 30th July 2021 which has been recorded as an objection with the comments as follows:

OWPC39014

The existing traditional pitched roof house fits all aspects of the site on which it stands - of a size and appearance that does not impact on neighbours, in keeping with the village area.

The addition of a third storey with substantial extensions to the side elevations plus large windows throughout would impact heavily on the privacy of existing residents. The size of such a construction in the midst of more modest properties round about would be quite overpowering and intrusive on the neighbourhood.

Surely developments within an existing area, especially in a village setting such as Ferring, need to fit sympathetically with the surroundings. It is reasonable to expect that part of the planning consideration takes account of locality and the impact of the proposal both on the area and existing residents, who cannot and should not be ignored.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at <https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
