Hello Iqraa

So sorry for that please find attached the updated plans, hopefully it should all be ok now

If you have any questions please don't hesitate to contact me.

Kind Regards

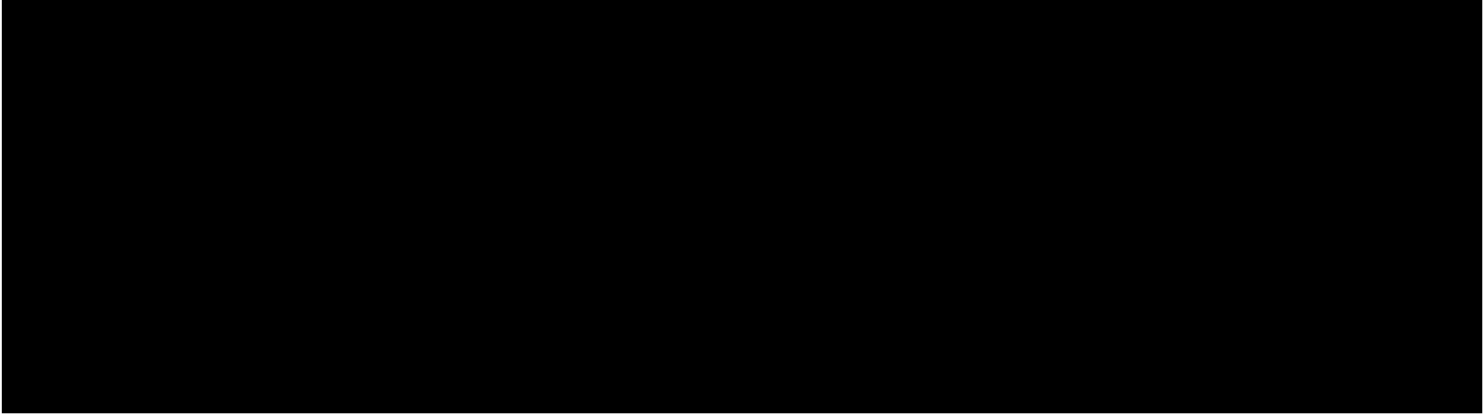

Good afternoon,

Thank you for providing the additional information.

However, this application is still invalid as the plans are still inconsistent, the utility room front, and rear windows have not been added to the floor plans. Along with this, the 14m measurement does not measure to scale. Please review and amend.

Kind Regards
Iqraa Malik

Hello

Sorry for those issues

Please find updated drawings attached and a updated CIL form

If you have any questions please don't hesitate to contact me.

Kind Regards
