Thank you for your recent application which I received on 13th August 2020. It is being validated by Zoe Toppin who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Please provide a sketch plan which clearly shows the location of the tree. The tree should be clearly labelled and the plan should include at least one road name and adjoining properties. A North point is helpful too.
