Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/94/20/HH
Site Address: 7 Little Drive Ferring BN12 5RF
Description of works: Conversion of roofspace to habitable use and conversion of roof from hip to gable end and single storey rear extension.

Thank you for your internet representation made on 23rd September 2020 which has been recorded as an objection with the comments as follows:

OWPC29806

Please accept this letter as my formal objection to this planning application.

The large dormer window and velux window in the gable end roof extension will overlook mine and neighbouring properties which will impact greatly on our privacy.

When we purchased this property in 2015 it was because we knew of the covenant restricting building in the roof of the neighbouring six bungalows, thus ensuring privacy to our property as we are a corner plot. This application completely flouts the law surrounding perpetual restrictive covenants put in place to protect communities from disregarding neighbours privacy.

I also feel that this application is contrary to several provisions of the Adopted Local Plan for Arun 2011 to 2031 specifically protecting residents privacy.

Kind regards,
Sarah Clavering

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely
