Subject: FW: FG/95/18/HH - 25 South Drive, Ferring

Dear Andrew,

I refer to the current planning application for a proposed 2 storey extension at the front of 25 South Drive in Ferring (FG/95/18/HH).

I understand that the neighbour at No.27 has submitted an objection with regard to the high level window on the west elevation. As suggested by the neighbour the client has agreed to obscure this window and ensure that the window is non-opening at all times. I have therefore attached amended drawings and included a note to confirm this suggestion. If the application is approved then please could you include a planning condition to cover this point.

I should also be grateful if you could attach this email and the amended plans to the application on the website so that the neighbour is aware of this revision.

If you should require any further information then please do not hesitate to contact me.

Yours sincerely

Carl Moore
