Hi zoe

That's fine.

Kind regards

Jon Thwaites
D&T tree surgery

Dear Mr Thwaites,

I hope you are well.

I have received comments from our tree officer, the application with its current proposal has been decided for refusal. However, the tree officer would like to provide a new proposal for this application of:

- Reduce crown spread on north aspect only by no more than 2.5metres. The remaining spread will be a minimum of 3.5metres when measured from the nearest side of the tree's stem base.
- Remove epicormic growth from main stem and limb framework to achieve a maximum of 4metres clearance above ground level.

If you agree to the above proposal the application can be approved subject to relevant conditions. If you agree with this please can you email me back by **14th July**. If I do not receive a response by this date the application will be refused.

Many thanks
