Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/97/21/HH
Site Address: 4 Florida Close Ferring BN12 5PF
Description of works: Erection of front and rear extension, loft conversion and detached garage.

Thank you for your internet representation made on 25th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37753

The existing property is a bungalow which is historically and aesthetically in keeping with the immediate location and village in general. To ignore this and allow what is a modern flat-roofed "block" building of increased height and size is unacceptable and completely out of place - it will impact on the immediate vista and also block views to the horizon for many in the Close! If this proposal is accepted and goes ahead then it sets a precedent for all bungalow owners to follow suit - thus changing the overall existing attraction of what makes Ferring village so unique and desirable. Extending an existing bungalow into the roof to benefit from the sea view is understandable and acceptable but to completely redesign the local landscape is not and I object to this proposal!

Your views as made above will be considered before the application is determined.
