Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/97/21/HH
Site Address: 4 Florida Close Ferring BN12 5PF
Description of works: Erection of front and rear extension, loft conversion and detached garage.

Thank you for your internet representation made on 13th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38178

After visiting Ferring for many years we recently bought a bungalow in Florida Close due to the character and charm of the properties in this village.

The proposed development appears to be a rebuild rather than a loft extension, many of which have been done in the village whilst still maintaining the charm and nature of the properties. This is in effect a large square block with a flat roof and would be totally out of keeping with the surrounding properties, all of which have pitched roofs, and it would stand out like a sore thumb.

We feel it would be detrimental to Ferring Village being too big for the plot size and totally out of character.

Your views as made above will be considered before the application is determined.
