Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FG/97/21/HH
Site Address: 4 Florida Close Ferring BN12 5PF
Description of works: Erection of front and rear extension, loft conversion and detached garage.

Thank you for your internet representation made on 15th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38358

It is such a shame that so many houses which back onto Pattersons Walk are being developed in this way. The building is not a renovation as stated but looks to me like a complete re-build. I am concerned that more and more properties are being developed with no thought for the privacy and views that adjacent properties have enjoyed since they were first built. I would hate this to happen to me and I suddenly had to endure my neighbours suddenly being able to see into my hitherto garden and I believe in this case, actually into one of my windows. I am glad to say that I would not be personally impacted but as a Ferring resident who uses Patterson's Walk and our lovely beach, I would not find the design of this proposed house sympathetic to the area. The original houses here were warm, easy on the eye designs. This is not. I therefore have to strongly object.
