Dear Sir

Your Ref: FN/18/10
Location: Braeside, Stable Lane, Findon
Proposal: Conversion of existing dwelling to self contained flats

The Society has concerns over this planning application for the conversion of Braeside to several self-contained flats. The additional occupants of this property could potentially generate considerable extra traffic on Stable Lane. There is limited public transport in this area, which could mean that all potential occupants will be relying on their own transport. For this reason the Society objects to this application.

Yours faithfully

Steve Ankers
Planning Officer
