Mr J Smith

29th February 2012

Dear Sir/Madam

The Town and Country Planning Act 1990 (as amended)

Proposed rear extension & dormer to side (this application lies within the South Downs National Park Authority)
Glenthorne Findon Road Findon

Thank you for your internet comments made on 28th February 2012 and recorded as follows:

Findon Parish Council Planning Committee have considered the application submitted under ref: FN/4/12 and although having no objections to the proposed extension and installation of a side Dormer, they respectfully suggest that if the ADC Planning Officer is minded to approve the application, it be a condition of approval that the Dormer be installed with obscured glazing.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

Yours faithfully

Karl Roberts
Assistant Director Planning Services &
Housing Strategy
