Dear Sir,

Findon Parish Council objects to this application.

Whilst previous applications for this building have received our conditional consent, we are not of the same mind for this application.

The building is Grade 2 Listed, the proposals for altering the windows, e.g. those on the East elevation which are traditional horizontal Sussex sashes, would adversely affect the existing Listed character of the external elevations of the house.

The major proposals for changing floor levels and other alterations internally will likewise damage existing features such as lath & plaster ceilings, cornices, floors and skirting, door & frames etc. and adversely affect the existing proportions of various rooms.

These proposed alterations do not respect the Listed architectural heritage of this important Findon building and do not comply with Local Plan Policy DEV 10.

We respectfully request that this application be refused.

Yours faithfully

Mrs. M S Bland
Clerk Findon Parish Council
