Dear Sir/ Madam

Re: East Lodge, 58 High Street, Findon, West Sussex – Full Plans Application with Listed Building Consent, Discharge of Planning Condition (Ref FN/41/10).

Please find enclosed the external drainage and the approved external parking proposed layout plans required for the discharge of the planning application condition for the above address.

When planning consent was granted there was a requirement to provide details of the surface water discharge if the surfacing was not permeable for the new parking area. As the surface material is not permeable the enclosed drawing, PSE10 shows the Aco valley guttering and soakaway locations.

Also enclosed is a cheque for £25 for the required discharge fee for a household application.

Should you have any queries relating to these documents then please do not hesitate to contact me.

Yours sincerely,
