Dear Sian

I have spoken to the client who informs me that it is intended to access the proposed garage by means of the existing crossover from Westmorland Drive, and accordingly I attach revised block plan with reference to proposed new vehicle access deleted.

Best Regards

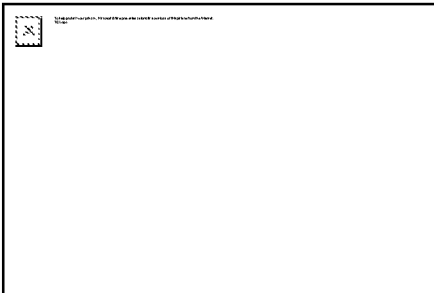

Subject: FW: Request for further information FP/102/20/HH

Dear Mr Murray

The Block plan is showing a proposed crossover, please confirm whether this is proposed and being applied under this application or is existing. If a new crossover is being proposed this will need to be added to the description. With your permission we can add this for you. A splay plan will also need to be provided with dimensions of the crossover (width and depth) included.

Kind regards

Sian
