Hi Nicola,

Please see a copy of the updated Location Plan as requested.

I trust that this application can now be made valid? I would be grateful if you would advise me of the proposed determination date.

Kind Regards

Dear Harriet

Thank you for your email.

The updated location plan is required because it is an amended scheme to the original application, the plan needs to reflect the current details. The case officer will determine this scheme based on how the development looks now, not at the time the original application was approved.

Kind Regards

Nicky Moore

Dear Nicola,

Thank you for your email.

I am slightly confused by your request for an updated location plan.

We did submit a location plan which reflects the original application and as such please could you explain why an updated location plan is required?

I look forward to hearing from you shortly.

Kind Regards
