Malcolm,

The proposal to construct a simple 1.2m high close boarded fence over the existing verge is considered to be acceptable.

Please could you show the proposed new fence on the revised layout plan?

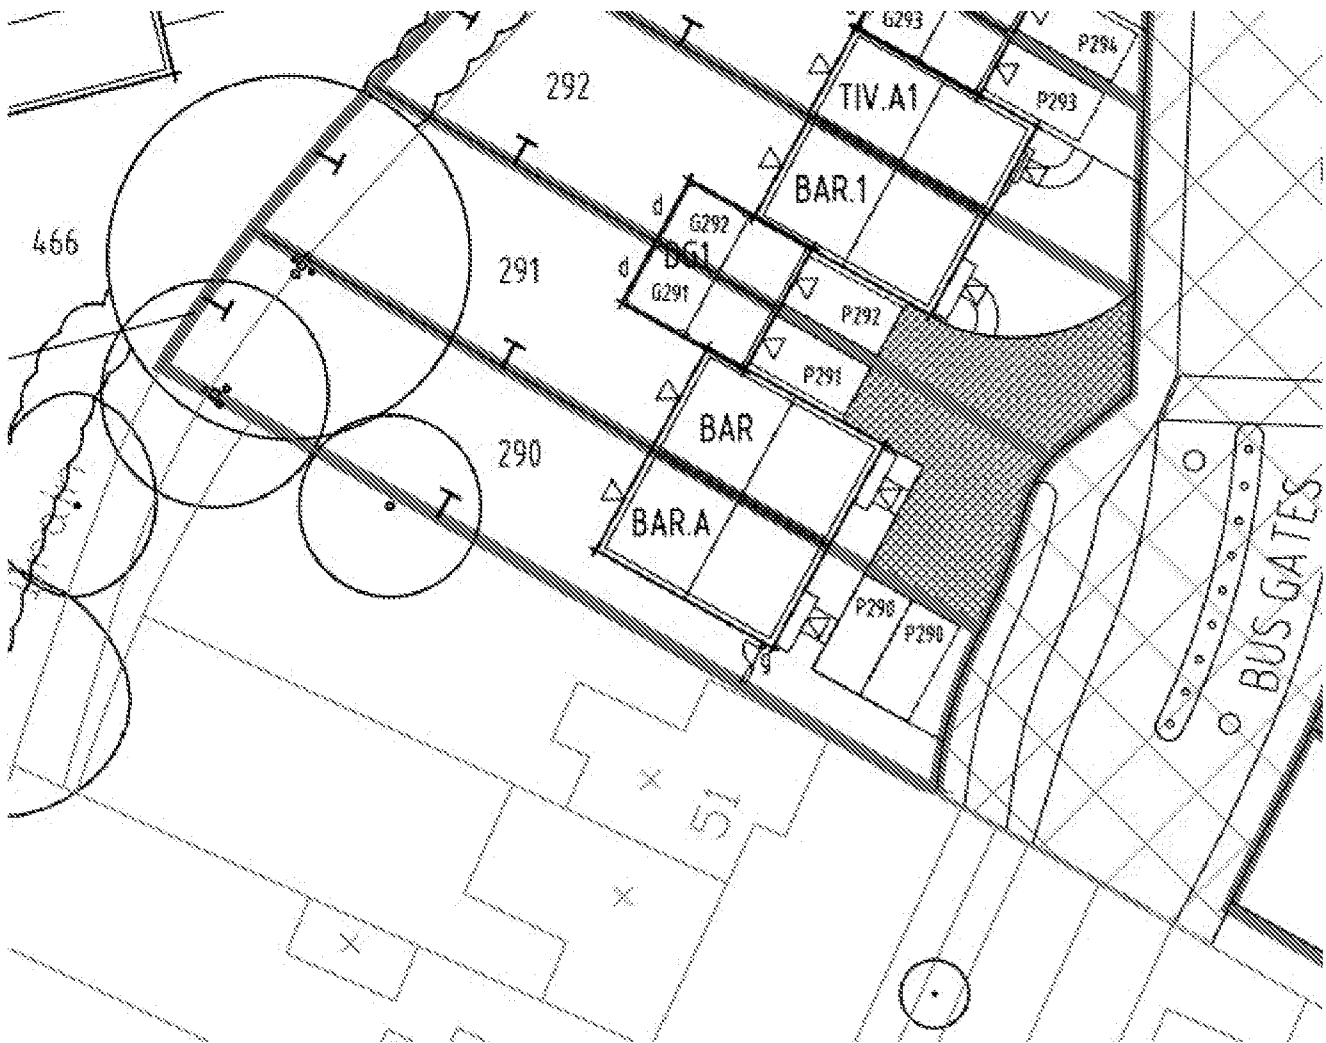

Kind regards,

Michael

Michael

From the conveyance plan the boundary is not No 51 ownership, its within plot 290 conveyed land.

Having looked on the ground, we will not be constructing a brick wall as there are trees on the boundary of No51, which would not allow us to construct. Can I suggest we install a simple 1.2m high CBF over the ex verg.
