Cllrs

Please note that although the revised roof plans removes the Committees objection to the number of dormers overlooking the conservation area, there will still be an increase in the number of bedrooms and therefore our objection to lack of parking infrastructure should still stand.

Regards

Graham

Hello Heather.
I am quite happy with this amended application and see no reason to object further.

Mary.

Dear Richard/Heather,

In accordance with Section 2 of the Neighbourhood Planning Act 2017 and as a result of Felpham having a Neighbourhood Plan, I write to notify you of a change to this application namely the submission of amended plans. These show removal of the three dormers on the front elevation and the lowering of the ridge height by 1m. The front gable projection is also lowered to match. You have 21 days to provide any additional comment on the application.

Kind Regards
