PLANNING APPLICATION FOR PROPOSED  
PORCH DEVELOPMENT AT  
N°4 DERWENT GROVE, FELPHAM,  
BOGNOR REGIS, PO22 8NE

Dear Nikki

please find the following plans with the information you required. I have made the following additions/modifications

- ① On the existing ground floor and ground floor & porch plans I have added all ground floor windows
- ② On the three elevations plan showing proposed porch development I have moved the front door and side light over to be more in line with the existing front door
- ③ On the ground floor & porch plan I have stepped the front brickwork in giving a brick length width column at both front corners of the porch

I have also attached the block plan as requested

Best Wishes
