Felpham Parish Council OBJECTS to this application (FP/108/13/TC) because it does not appear necessary from our Tree Wardens's report to fell the tree.

Tree Warden report:

Recommendation

This mature tree has been badly knocked about, partly by being badly pruned in the past. It has also been badly damaged by cars knocking it about, causing the lifting of some bark on the main trunk. I feel that notwithstanding the damage, the tree has still a reasonable shape, and all it really needs a good prune.

Work to be carried out with great care by a qualified Tree Surgeon.

G.R. Amick
Felpham Parish Tree Warden
