Dear Sian

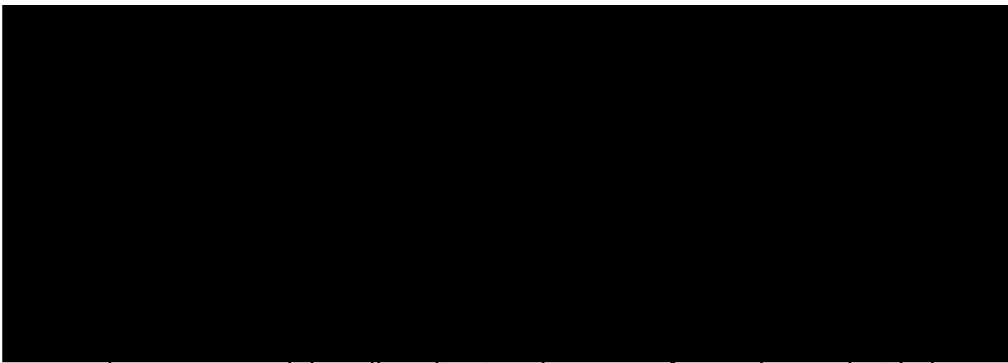

I shall send the floor plan and elevations in the post to you today at the address below.

Thanks for putting the red lines in on the maps.

I shall look at CIL

Regards

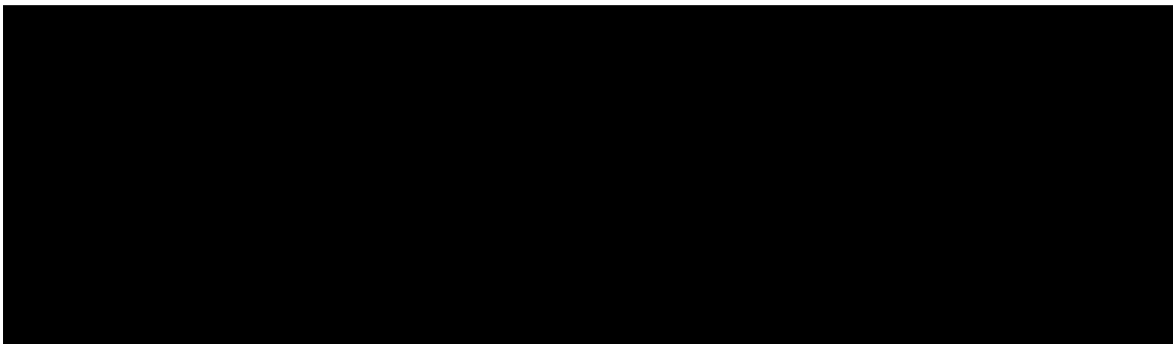

John

Arun have requested that all applications have a CIL form submitted with them, yours wouldn't be CIL liable, applications that are liable are new dwellings. However the form still needs to be completed you will just need to answer 'no' to most questions and sign the form.

If you send the amended information via post directly to me -Attention of Sian Eggington
Floor 8, Quayside Tower, 252-260 Broad Street, Birmingham B1 2HF

Kind regards
Sian

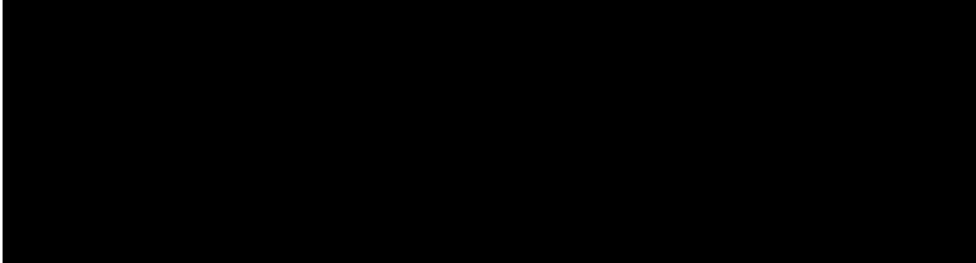

Can you explain what CIL is, and will I be liable, and if so what is the likely amount?

Regards

John

Dear John

Thank you for your email, the plans are fine however location and block plan both need red outlines but with your permission I can add these for you.

Please send the plans to

I have bought these maps to comply with instructions given.

The summer house measures 12ft x 7ft and this is to scale on the map.

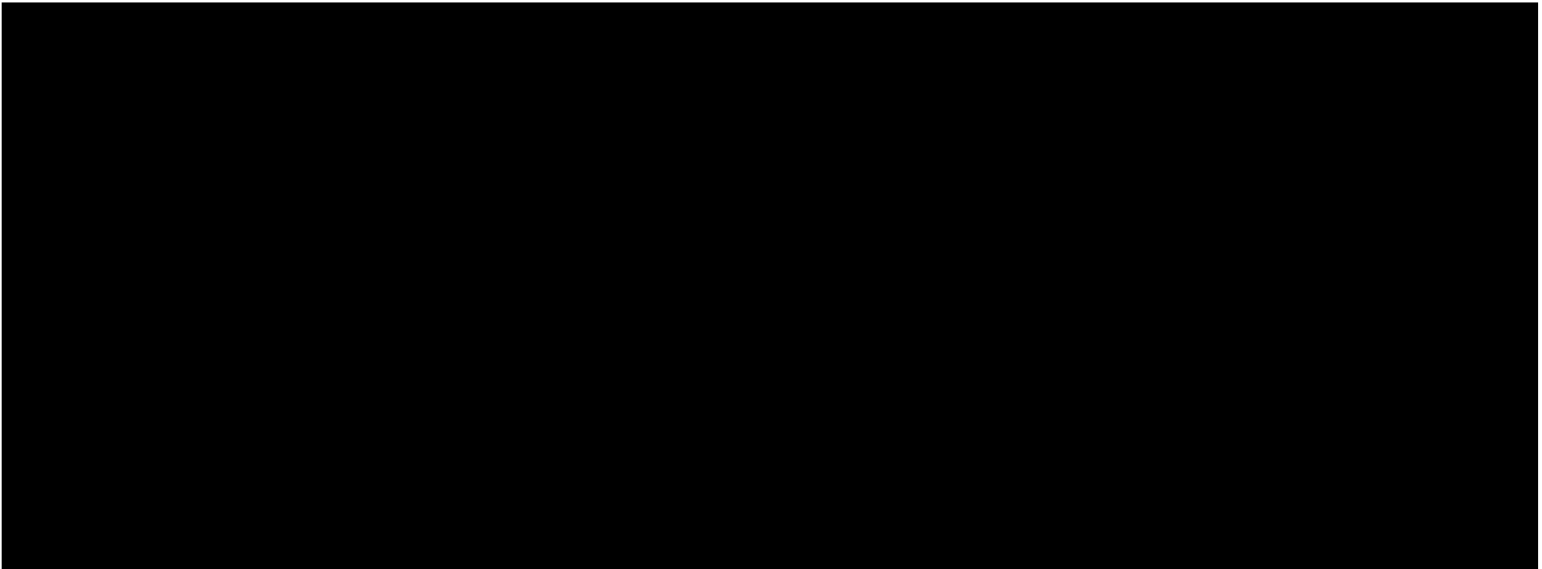

If you need any changes made to these maps I need to know within 3 days – then UKPlanningMaps can make the changes for me.

I still need to send you a plan and elevations of the actual summerhouse. This will have to be on paper I'm afraid – what address shall I send it to?

Thanks

John
