DESC: Trimming and pollarding of Lime trees within the Felpham Conservation Area
ADD: St. Mary's Churchyard
Grassmere Close
Felpham

Dear Sirs,

Lime Trees at St Mary's Churchyard Felpham

We have received advice (taken following complaints from adjoining owners of land) that the lime trees on the south eastern boundary of the churchyard adjacent to HSBC Bank should be trimmed and pollarded back to where they have previously been trimmed and pollarded. The Bank are concerned because the overhanging branches create a hazard and insofar as they create cover are also a security threat

Although the trees are not subject to a TPO, they are in the Conservation Area, and we would therefore be grateful for your confirmation that it will be in order for us to undertake this work

As we say the trees have previously been trimmed in this way and so we hope that this is acceptable

We look forward to hearing from you at your earliest convenience

Yours faithfully

Robert Enticott
