

Dear Mr Wilson,

Please find attached our tree officers comments on your application.

Our tree officer would like to see the you submit a revised work specification, that removes items T38, T39 and T43 (Pine) from the proposal, so that only the sycamore and field maples are included. Please read though the document with the comments and recommendations.

If you agree to amend your application we can accept it, however if not we will refuse. If you agree please email back by 08/09/20 to confirm you agree.

Many thanks
