Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: FP/113/21/HH
Site Address: 14 Davenport Road Felpham PO22 7JR
Description of works: Hip to gable loft conversion with juliet balcony, alterations to fenestration/openings and external facade.

Thank you for your internet representation made on 14th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37423

The design of this house is really not in keeping with the majority of buildings on this small estate. Each time Arun grant permission for a 3 story property it sets a precedent that is quoted by the next person wishing to add another story to their house. We currently have two three story buildings along Davenport Road one of which soars way above the buildings on either side. This is shown on the pictures submitted by Mr Johnson. The black cladding will not blend in with all the other traditional houses on the estate and the third floor windows will overlook the property to the west. I currently have several windows from the property on my west boundary overlooking my garden, and although the current owner is very considerate in this regard, it is sometimes like living in a gold fish bowl. Please do not grant permission for this build.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
