

Planning Officer: Richard Temple

Planning Application Ref: FP/122/17/TC

Location: The Water Tower, 16 Craigwell Manor, Aldwick

Description of works: Reduce canopy by 2m & remove deadwood to 1 No Blue Atlas Cedar

Reasons Given: To ensure longevity and improve light percolation to habitable rooms

Comments:

Blue Atlantic Cedar *Cedrus atlantica 'Glauca'* Ht – 12m Av Sprd - 6m Age – Early-Mature

- This is slightly more pruning than I would have liked but nevertheless it is not excessive and will not spoil the tree or undermine its vigour and vitality.

Conclusions:

- A TPO to control/prevent the works will not be recommended in this instance.

Recommendations:

- I recommend **APPROVAL** for the pruning of this tree as has been described in the applicants Section 211 notification.
