Hi Charlotte,

I spoke with you earlier regarding my planning application - 9 Cunningham Gardens, Felpham.

I will advise the re-submission of the boundary dimensions once I have spoken with Brian Hindle.

Kind regards

Adam Hayward

Hi Charlotte,

I was wondering if you could help me. I spoke with you last week regarding our planning application for a 5m x 3.5m Conservatory we are having fitted. As I understand it we would not need planning permission if the structure was 4m in length.

I have just received a copy of the Arun Times where it states that under the 'extended permitted development' system we are entitled to extend the rear of our property up to 8m for detached properties for no charge.

Can you confirm if we need planning permission as we have been waiting since June for a decision. It was only after speaking to you last week that I have been informed of a problem with the application.

Either myself or my wife will be calling on Monday morning to try and get this moving.

Kind regards

Adam Hayward

Importance: High

Dear Mrs Burrows

Please find enclosed attached file with additional dimensions as requested. I trust this is now satisfactory and the application can now be registered.

Yours sincerely

Brian Hindle.

Dear Mr Hindle,

Thank you for sending in the amended Block plan, unfortunately I require a few more boundaries measurements, I need you to indicate the measurements from the rear of the proposed conservatory to the garden boundary and the distance between the side of the proposed conservatory to the garden boundary.

I have attached a copy of the Block plan in case you wanted to make the amendments and then email it back to me, I hope this is of assistance.

Kind Regards

Charlotte Burrows
