Dear Sir,

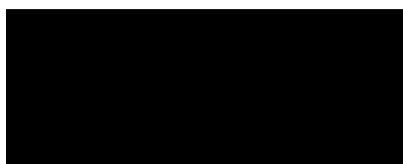

Planning Application Ref. FP/127/17/PL.
Re. 2 Second Avenue, Felpham.- Proposed two storey dwelling.

I wish to object to the above application.

In my opinion the proposed development would spoil the general character of the road. It is far too big for the site which itself is not big enough to carry a dwelling in keeping with the others in the road.

The plans are not in keeping with the conditions included in the previous permission in 2007/8,.

Yours faithfully,

Mrs. P.A.Calder.
