Dear Simon,

I have double checked on site and on the 1/100 plans the building is set 100 mm further forward and as you said the front extension was not shown on the downloaded Ordinance Survey detail – amended detail attached.

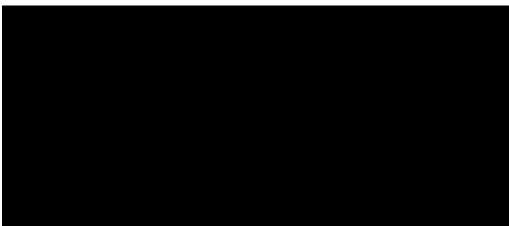

Please let me know if you have any comments at this stage and I will do my best to answer any queries.

I look forward to hearing from you.

Kind regards,

Chris Moore

Subject: FP/127/17/PL 2 Second Avenue, Felpham,

Hi Chris,

I've had an objection from a resident who states that that the adjacent house to the south, 'Shergar' has not been drawn properly in respect of garage and lounge extensions. I've looked at your plans versus my photos and it seems that the side and rear are correct but possibly there is a front extension which isn't shown. Anyway, can you check and comment please. We have had complaints before where we have decided applications based on incorrect plans of neighbouring properties.

Kind Regards
