FP/130/21/CLP

Morning Nicola,

I've submitted the attached proposal but you need more information from me.

I'm a bit unsure what's needed, but after looking at the guidance I need to buy and submit a location plan and block plan from this website: <https://www.buyaplan.co.uk/> is this ok?

Regarding the elevation plan, is this needed as the garage we are looking to convert is built in the house so nothing would change?

Also, do I just email these documents to you, or is there a way of submitting them on the original form I submitted?

Sorry to ask too many questions!

Look forward to hearing from you soon.

Regards David Holcombe
