Type of Proposed Advertisement(s)

Please describe the proposed advertisement(s)

The Blake Cottage Trust is a registered charity whose aim is to restore Blake's Cottage in Felpham and open it to the public. We have previously applied successfully for Listed Building Consent to repair the thatched roof (FP/49/24/L) and the supporting timber structure. After confirming that this would be accepted I have enclosed the Site Plan and Statement of Significance attached to the previous application. Now that we have a scaffolding cover to protect the building while the Trust raises the necessary funds we want to advertise the fact that the building is being cared for and provide links to further information. We would therefore like to erect a temporary banner in full colour digital vinyl while the scaffolding is in place for the next 12 - 24 months. Details as per the included photograph.

With respect to the Authority, is the applicant and/or agent one of the following:

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
