Hello

I am having trouble submitting our comments on line on this application this morning, although I have pressed the SUBMIT COMMENTS button I have not received confirmation of receipt as usual - so I am sending through this email as well.

Ferring Parish Council have NO OBJECTION to this application however we would like it to be noted that the Parish Council has concerns with regarding to surface water flooding and ask that a condition for soakaways be put in when giving permission.

Please could we have confirmation that our comments have been noted against this Planning application

With kind regards,
