Dear Mrs Chapman

We can confirm that the roof covering will be polycarbonate sheets, which will be fixed in sections, allowing for those nearest the house to be removable for any maintenance work to the property.

The sheeting will end before the boundary line and drain into guttering, which will be fixed underneath and will connect to the existing garage downpipe.

Regards

Dear Mr & Mrs Norris,

The application refers to timber supports for the car port but does not make any reference to the roof covering.

Please confirm.
