Subject: FP/132/14/HH - Car Port at 10 Grafton Avenue, Felpham

Dear Mrs Chapman

Firstly we acknowledge receipt of the decision on Friday 26th September regarding the application to erect a carport. We have taken note of the conditions stated and will comply with **all** of them.

Further to your subsequent email and telephone conversation on Monday 29th September we can confirm that the guttering **will not** overhang the boundary or fence to the south of the property at any point and will be fed via a drainpipe into the existing soak away situated in the rear garden.

We would like to take this opportunity to thank you and your staff for all the support and advice you have provided and hope that this matter is now closed.

Regards

Deborah & Tony Norris
