Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Change of use from a Launderette (Sui Generis) to use as cafe (A3 Restaurants & Cafes). Installation of fully functional commercial kitchen & extraction system at the rear of the premises using the existing space.

Grassmere Parade, Shop 3 Felpham Road Felpham

Thank you for your internet representation made on 26th July 2019 which has been recorded as '**an objection**' with the comments as follows:

I object to the proposal of yet another caf in the village as there are already three(to my knowledge), which serve us and holidaymakers well. Another one selling exactly the same between the three we already have is just one too many. The Hairdressers, there are four, (to my knowledge)used the Laundrette for their towels etc. And very importantly the elderly complex have no means of drying facilities used the launderette all the time for their washing and drying. This Launderette is a very sad loss for the village. But having yet another eatery is losing so many other facilities that would be far more needed for so many people in the Village and beyond.

Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. further opportunity to comment at the appeal stage.

Yours faithfully
